

## **OTHER FACILITIES**

### **SKHMC Stores**

The college has already started a 'stores' for selling all items of Stationery, soft drinks and delicacies etc. for being used by the staff and students, patients and other public at competitive price.

### **Canteen**

There is a canteen in the college premises. Food is provided for the staff, students, patients and public from 6.00 a.m. to 6.00 p.m. (except Sundays)

### **Stationery Shop**

Stationery items are sold in separate shops in the college premises.

### **Pharmacy & Book Store**

There is a Pharmacy dealing with the sale of almost all Homoeopathic Medicines, sundries etc.

There is also a Book Store for medical books, practical records, case records, formats, leave forms etc. attached to the Pharmacy, which are sold out from here with a marginal discount to the staff and students. It will be open from 8.00 a.m. to 5.00 p.m. (except Sundays)

### **ATM**

An ATM counter of the Federal Bank is also working round the clock in the college premises.

### **College Van**

Adequate vehicles are available for transporting medical team to the locations of Peripheral Health Centres and Community Health Activities.

## **Locker Facility**

Separate locker facilities for students who are undergoing clinical training have been provided in the students room (Male & Female) concerned to safe guard their personal belongings intact at their own risk and responsibility.

## **Drinking Water**

Provisions for providing purified drinking water have also been made in all the floors of the college, hospital and the dining hall of the hostels.

## **Power Supply**

To combat failure in electricity supply, a generator has been provided in the college.

## **College Web Site**

The college has a website of its own wherein all its details enlightening details about the facilities, members of teaching faculty, admission to the courses, functions and celebrations, news & events are available there. The website address is [www.skhmc.org](http://www.skhmc.org)

## **C.C.T.V. Surveillance System**

The college and its surroundings including the class rooms are under the surveillance of closed circuit cameras and television . The visuals of the going ones can be observed by the authorities while they are in the college and on-line too. The visuals are also simultaneously recorded and stored.
