ANNUAL REPORT ON ANALYTICAL SKILL DEVELOPMENT-2016-17

Clinical Cases Skill Development

Clinical cases skill development programme aims at improving the clinical skill and knowledge of students by a standard case workout. It includes the team work of III B interns to analyse cured cases of III B unit under the guidance of Head of the department monthly. Totally 76 students were involved and 12 compiled works were submitted.

In the month of August, an interactive session on child psychology and its application in Homoeopathy by Dr. Dr. Maya Rani Senan.K, BHMS, MSc(Psyc), M.Phil, Psychologist, Marg Darsan Career Guidance Centre, Thrissur, Kerala; was conducted. 54 students were benefited by the programme.

Sl. No	Year	Name of the programme	Number of Activity	No. of students enrolled	Resource person
1.	2016-17	Clinical Cases Skill Development	12	76 Students	Dr.T.Ajayan, HoD, Practice of Medicine, Unit Head III-B, SKHMC
2.	15/8/2017	Clinical Cases Skill Development- ' New concept in Child Psychology and its Homoeopathic Perspective'	1	54 Students	Dr. Maya Rani Senan.K, BHMS, MSc(Psyc), M.Phil, Psychologist, Marg Darsan Career Guidance Centre, Thrissur, Kerala

Clinical Cases Skill Development scheme (2016-2017)**

Medical science is a dynamic field; newer techniques are added every day, treatment protocols are updated regularly, reference diagnostic values change over a period of time. Program started on 2009.

Objectives:

1. Enhance analytical skills and research aptitude in clinical cases.
2. Research development.
3. Understanding and adapting case-solving style.
4. Identify the treatment errors, Philosophical knowledge and false conclusions
5. Rapid and ample diagnosis and estimating Medicinal and General Management.
6. Research field for Post Graduates, from the statistical work done by the interns.
7. Diagnostic level case study preparation, Presentation and submission to department of PM.
8. Retrospective research study for Post Graduates.

Number of students involved: 76

Report on New concept in child psychology and its homoeopathic perspective

The Clinical Cases Skill Development program was conducted on 15/08/2017, Tuesday from 2.00 Pm to 5.00 Pm.

It was a Three Hour Program. The topic was **New concept in Child Psychology and its Homoeopathic perspective**. The faculty was Dr. Maya Rani Senan. Venue was **SKHMC conference Hall**. Program was arranged for the interns, PGs and Faculties. A total of **Fifty Four (54) students attended the program**.

Dr. N. V. Sugathan, Deputy Medical Superintendent introduced the faculty to the audience. It was an interactive session. She explained and motivated the students through narrating the use of psychology in good practices of homoeopathy. She introduced the other courses that a Homoeopath can join after BHMS and MD. All students were satisfied and gave positive feedback.
