I. STUDENT CLUBS:

1. MATERIA MEDICA CLUB:

The club of the Sarada Krishna Homoeopathic Medical College under department of Materia Medica (referred to as the Materia Medica Club) is to facilitate and enhance the missions and activities of the Sarada Krishna Homoeopathic Medical College student community. The permanent members of the club include Advisors selected by the Chairman of KV Educational Trust and faculties of department of Materia medica. Student members include the students from UG and PG selected by the students and approved by the staff executive committee under the supervision of the advisor. All members are bound to the general rules and regulation of the college.

The annual general body meeting of the Materia Medica club should be held during the month of December, the exact date to be fixed by the executive committee. Special meetings may be called at any time by the Executive committee under the approval of advisor committee. Executive committee meeting shall be held at least once in four months. At any general body meeting of the Materia Medica Club, a quorum shall be constituted by no fewer than twenty members of the Materia Medica Club, and four of them must be from the student Executive committee. The meeting should be preceded in the presence of the president or vice president and secretary or join secretary.

OBJECTIVE

The main goals of the club include an adjuvant to enhance the knowledge of Materia Medica, to inspire and empower students to open up the new horizons in learning, to build a good platform to enhance the clinical skills in identification and prescription of medicine, to develop and preserve the pedigree of Materia Medica department.

ACTIVITIES OF THE CLUB

- Maintenance of wall magazine
- Drug cartoon competition
- Drug picture or drama competition
- Drug story and script writing competition
- Quiz competition
- To award prize for first, second rank holders in UG and PG level.
- To coordinate programmes hosted by the department
- To aid support for the maintenance of department museum.

The total expenditure for the academic year is Rs 5000. The source of funding is from the department.

OUTCOME

1. The knowledge of Materia Medica will be increased.
2. Developed a good platform in clinical skill.
3. To empower the students to explore and learn outside the class room and put ideas into action.
4. Reading, artistic, communication skills improved.

2. LITEROCULTURAL CLUB:

PURPOSE

Literocultural Club has been organised to encourage our students' interest, participation and responsibility in the ingenious field through a medium of creative art and literary curriculum.

SCOPE

- Attempt to make the member students well acquainted with the various cultural activities and to facilitate others to join, participate and develop the culture in students of SKHMC.
- Developing the overall personality of the students together with some special traits which may help for their life.
- Motivate students to participate and widen their horizon in life.

PRINCIPAL
SARADA KRISHNA HOMOEOPATHIC MEDICAL COLLEGE
KULASEKHARAM, KANYAKUMARI DISTRICT
TAMIL NADU - 629 161

POLICY

The Literocultural club shall function under the control, guidance and supervision of the Head of the Institution. The Literocultural club shall function as per the policy and procedure laid down by the college. The function of the club is to identify the hidden talents among the students and to promote their literal and cultural capabilities and thereby contributing Literocultural talents to the society along with training them as efficient physicians.

RESPONSIBILITIES

Literocultural Club has been constituted to promote the Literocultural talents among the students of SKHMC with the following members:

1. Principal as the Chairperson
2. HOD as the Coordinator
3. 2-3 faculty members
4. PG representatives from the Dept. of Medicine
5. UG representatives from Final Year

MEETING AND REPORTING

The club will meet as and when it is required to discuss about the proper planning and conduction of Literocultural programs and also for making new decisions regarding the working of the club and members. Principal, Coordinator, faculty members and student members must be present for the meeting

ACTIVITIES

- Publishing of the fort night journal "ARCHIVE": it is the collection of papers, documents and the photograph and some other materials that are preserved for the historical reasons.
- Running a museum for collecting and exhibiting the Literocultural works of the students of SKHMC.
- Encourage the young talents of SKHMC in literal and cultural fields by honouring them with awards.

3. READERS CLUB:

The Readers club under Central Library in SKHMC is to facilitate and enhance the missions and activities of the Sarada Krishna Homoeopathic medical College student Community. The members include UG students, PG scholars and Faculties. All members are bound to the general rules and regulation of the college.

The annual general body meeting of the Readers club should be held during the month of November, the exact date to be fixed by the executive Committee. At any general body meeting of the Readers club, a quorum shall be constituted by no fewer than twenty members, at least three of each from each UG batch, three of the members from PG batch, and five from teaching staffs.

OBJECTIVES

The main goals of the club include to enhance the reading skill and to know the utilization of resources in the library.

ACTIVITIES OF THE CLUB

- To coordinate programmes hosted by library
- Participating in all the competitions hosted by the library

OUTCOME

1. Students increased the knowledge of books in the library
2. Developed a good knowledge in the e-resource.

4. PHARMACY CLUB

A Pharmacy club has been organized in the college under the guidance of Department of Homoeopathic Pharmacy since 2015. Faculty members of the pharmacy department and students of I BHMS 2015 batch was selected as club members with Dr.C.K.Mohan, Principal, SKHMC as the patron of the club. The club shall be interested in conducting activities like maintenance of herbal garden and herbarium preparation. The meeting of the club members shall be conducted every three months. Student club members shall be selected from the current I BHMS batch and selection shall be done on the basis of willingness and interest shown by the students in the preservation of medicinal plants.

OBJECTIVE

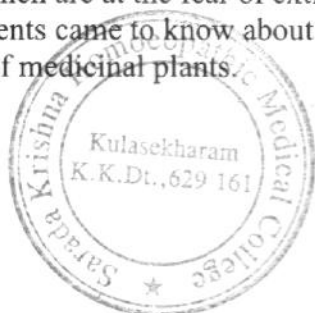

- Creating an awareness on indigenous medicinal plants
- Students can acquire the knowledge of therapeutic uses of medicinal plants around us. This knowledge shall be communicated to others.
- Promoting the use of medicinal herbs for treating mild illness suffered by themselves or family members.
- Can know about the homoeopathic medicines effective for treating diseases affecting plants.

ACTIVITIES OF THE CLUB

1. Identification of the plants in the Herbal Garden.
2. Planting and maintenance of Medicinal Plants.
3. Mounting of specimens using medicinal plants to enhance the department museum infrastructure.
4. Placement of name boards exhibiting botanical name, family, local name, part used and therapeutic uses of the medicinal plant.
5. Herbarium preparation.
6. Organizing field visits, study tour to herbal garden and pharmaceutical manufacturing unit.

OUTCOME

1. The students are able to identify the medicinal plants around us.
2. The students got aware of the significance of the preservation of the medicinal plants which are at the fear of extinct.
3. The students came to know about the morphological, taxonomical and therapeutic aspects of medicinal plants.

IDENTIFICATION OF MEDICINAL PLANTS

Date: 18.12.15

Venue: Herbal Garden, Skhmc

OBJECTIVE:

1. To identify the medicinal plants in SKHMC herbal garden.

PROCESS:

10 members of the pharmacy club selected. The students were instructed to go to the herbal garden in the skhmc premises at 3.30 pm. They were instructed to identify the medicinal plants in the herbal plants and prepare a list of the plants. They must find out the botanical name, family and common name of the plants identified. The students can seek the advice and help of the Pharmacy department faculty members for identifying the plants.

OUTCOME:

1. The students got awareness about the indigenous medicinal plants.
2. The activity created an interest in students to know more about the medicinal plants and significance of preservation of medicinal plants.

PLANTING OF MEDICINAL PLANTS

Date : 23.12.16

Venue : Herbal Garden(Green House)

OBJECTIVE:

1. To plant medicinal plants in the green house, skhmc.

PROCESS :

The medicinal plants were collected from Kuzhipallam botanical garden, Neyyatinkara, Kerala. Pots bought with the financial support from the management. Pots filled with soil with the help of skhmc gardener. The students selected as club members were instructed to plant the plants in the pots kept within the greenhouse from 3.30 pm onwards and water them regularly. The planting was done under the supervision of faculty of Pharmacy department.

OUTCOME:

1. As the greenhouse allows the plants grow well without being climatic conditions outside the students were able to grow healthy plants.
2. The students understood the merit of growing the plants in green house than open area as the microclimate created inside the green house facilitates the growth of plants.

MAINTENANCE OF GREEN HOUSE MEDICINAL PLANTS

Date : 1.6.17

Venue : Herbal Garden(Green House)

OBJECTIVE:

1. Maintenance of plants in the green house, skhmc.

PROCESS:

As most of the plants have grown upto the height of the green house they must be cut short. This will help the students to easily identify the plants. So the Pharmacy club members were instructed to do the process and make the green house clean and tidy. The students of pharmacy club were told to go to green house after their regular classes to do the maintenance work. The whole process done under the guidance of faculty, Pharmacy department.

OUTCOME:

1. The activity created an interest in preservation of medicinal plants among Students.

MOUNTING OF MEDICINAL PLANTS

Date: 14.6.18

Venue: Demonstration Hall, Pharmacy Department.

OBJECTIVE:

1. To mount the specimens of plant source

PROCESS:

The pharmacy club members were instructed to collect rare medicinal plants and mount in specimen jars. The materials required for mounting the plant is provided by the department. The process was done under the guidance of faculty of pharmacy department. The mounting of plants done using 4% formalin solution and mounted on a mounting board and kept in an acrylic chamber and sealed air tight. The students were helped by the department laboratory staff.

OUTCOME

1. The students were able to identify the medicinal plants.
2. The students understood the significance of preservation of plants especially those plants which are at the brim of extinct.

HERBARIUM PREPARATION

Date: 01.09.18

Venue: Demonstration Hall, Pharmacy Department.

OBJECTIVE:

1. To prepare herbarium section in the Pharmacy department.

PROCESS:

A separate herbarium section arranged with the co-operation of pharmacy club members. The students were asked to collect rare medicinal plants. These plants are to be processed in the wooden press provided in the Pharmacy department. Initially clean and fresh medicinal plants are collected and kept in between sheets of papers and students are asked to spray 4% formalin over the specimen and kept within the press for 1 week. The papers were to be replaced with new sheets daily. When the plant is completely dried they are mounted on herbarium sheets. The sheets are then arranged family wise using paper files.

OUTCOME:

1. The students were able to know about the method of preparation of herbarium.
2. The students were able to identify the medicinal plants and can study the morphological and taxonomical features of plants.

PLACEMENT OF NAME BOARDS TO THE MEDICINAL PLANTS

Date: 10.5.19

Venue : Herbal Garden, Skhmc

OBJECTIVE:

1. Placement of name boards to the medicinal plants in the herbal garden.

PROCESS:

Boards exhibiting the botanical name, family and common name are prepared with the support of management. The club members are instructed to place the boards near the plants which will help to identify the plants.

OUTCOME:

1. The plants could be easily identified with the help of the name boards.

IDENTIFICATION OF MEDICINAL PLANTS

Date : 11.05.19

Venue: Herbal Garden, Skhmc

OBJECTIVE:

1. To identify the medicinal plants in the skhmc herbal garden.

PROCESS:

The students are taken to the herbal garden for identifying the plants. The morphological features and medicinal uses of plants were explained to the students. About 15 students attended the programme. Various species of ficus tree and other medicinal plants like janosia asoka, citrus lemoni were shown to them.

OUTCOME:

The students became aware of the identifying features of the medicinal plants around us.

HAHNEMANN CLUB - II

Hahnemann club II has been organized in the College under the guidance of Department of Organon since 2018. Faculty members of the Organon department and post graduate students of the Department were selected as club members with Dr C.K Mohan, Principal, Sarada Krishna Homoeopathic Medical College as the Patron of the Club. It was inaugurated on 24 July 2018 by Dr M. Murugan, HOD, Department of Organon. The club shall be interested in conducting activities like seminars, awareness programme, related with the concept of Organon. The meeting of the club members shall be conducted every 3 months. Club members shall be selected by the willingness of the interested PG students of the Department of Organon.

OBJECTIVES

1. Creating awareness about the dynamic concept of medicine in relation with other schools.
2. Applying the Philosophy of Homoeopathy in other metaphysical Philosophy
3. Applying the importance of Herbal medicine to Homoeopathy
4. To promote further enquiry in the natural philosophy to the applied medical philosophy.

ACTIVITIES

1. Identifying the philosophy related with Hahnemann
2. Applying the logical explanation to the concept of Dynamisation
3. To explain the concept of vital force in other Indian and Western philosophy.
4. Upgrading the Hahnemanns activities to the Modern way
5. To motivate the modern concept of medicine to the clinical students

OUTCOME

1. The PG students will be able to identify the uniqueness of Homoeopathic philosophy
2. The students are aware of the significance of modern concept of Medicine
3. The students can apply the philosophy of Homoeopathy
4. The students can realize the concept of Dynamism in every part of life.

ACTIVITY 1

EXHIBITION ON HISTORY OF MEDICINE

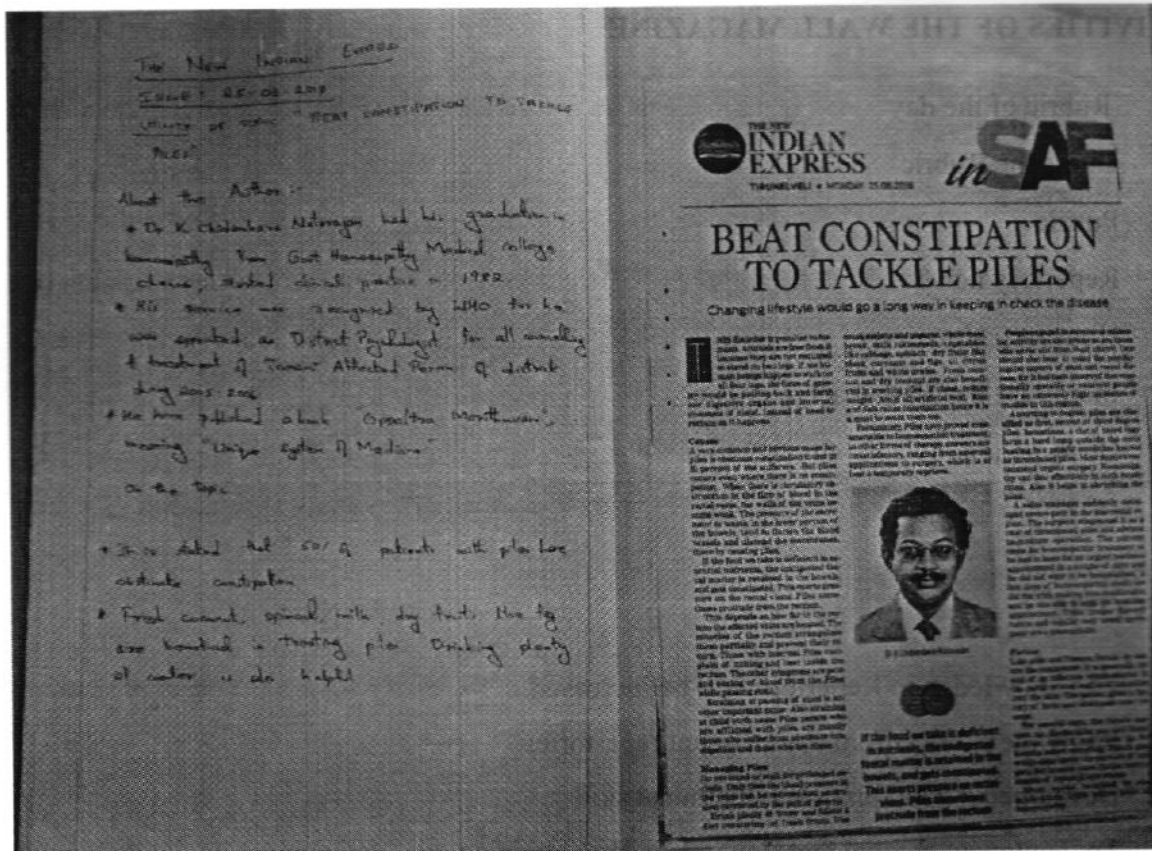

An exhibition on History of Medicine has been conducted by the Department of Organon on 10.12.2018 at Lecture hall. PG Scholars and Internees conducted this exhibition. Dr T Ajayan inaugurated the event. Students were the beneficiaries.

ACTIVITY 2

REVIEW OF NEWSPAPER ARTICLES

Review of newspaper articles on health aspect has been started by the Department of Organon on 3.7.2018. An Internee has to do a review of a newspaper article once in a week. The summary of the article has to be written in the register.

THE REPERTORY WALL MAGAZINE

The wall magazine under the department of repertory is to facilitate and enhance the knowledge and skill of the Sarada Krishna Homoeopathic Medical College student community. The wall magazine are maintained under the supervision of the HOD of the department, Dr.V. Sathish Kumar after the discussion meeting in the last week of the every month. The wall magazine members are the PG scholars which change in every year. The wall magazine includes the repertorial news, homoeopathic news, rubric of the day, puzzles, book reviews and awareness about the important days.

OBJECTIVE

The wall magazine of Repertory Department enhances the knowledge about the Repertories and to make aware the students about the health days and the news prevailing about the Homoeopathy. It helps to develop the skill of the student in the multiple question answering and thereby helps for the Competitive exams. The students are well trained about the rubric hunting from the repertories and help them in their case taking and repertorisation.

ACTIVITIES OF THE WALL MAGAZINE

- Rubric of the day
- Guess the Rubric
- Puzzle
- Repertory news
- Homoeopathic news
- Important health day awareness
- Book review

OUTCOME

1. The knowledge in Repertory will be increased.
2. Study the rubrics from the different repertories.
3. Developed a good platform in clinical skill.
4. To empower the students to select the rubrics from the repertory and helps for repertorisation.
5. Aware about the homoeopathic society and its activities.
6. Reading, artistic, communication skills improved.

SATHGAMAYA - 2014

As the customary practice of Saradians, this year also we had celebrated the Arts Festival titled "Sathgamaya-2014" from 19.05.2014 to 22.05.2014. Off stage items such as elocution (Tamil, Malayalam, English), extemporary speech (Tamil, Malayalam, English), recitation (Tamil, Malayalam, English), essay writing (Tamil, Malayalam, English), poetry writing (Tamil, Malayalam, English), Drawing and painting competition, rangoli, mahendi designing were executed one week prior to the Arts festival.

Day 01 : (19.05.2014)

The function was formally inaugurated by Mrs Chandralekha Mohan (Director of K.V Education trust) by lighting Kuthuvilaku along with prayer by college choir. Garlanding the portrait of Dr. Samuel Hahnemann was carried out by Dr. C. K. Mohan (Principal, SKHMC). Welcome speech was delivered by Dr. T. Ajayan (Convener, Arts festival 2014). Inaugural address was carried out by Chief-Guest Smt. Malarvathi (legendary, Novelist). Guest of honour was done by renowned poet Sri Syed Sabarmathi. Oath taking was carried out by previous Kalathilakam Ms. Athira Dhas. Vote of thanks was delivered by Dr. Abhijith. C. Nair (Ass. Convener, Arts festival). The first event of the day was Vocal classic (Male & Female), followed by light music competition (Male and Female). A refreshment session with tea and snacks were arranged outside the auditorium for all students & staffs at the same time. Next event was the most conventional classical dance (Male and female). It was succeeded by lunch break at 1:30 pm. Following the lunch break sharply at 2:15 pm folk dance (Male and Female) got started. It was superseded by Musical skit. The programme of the day got concluded by the traditional item *Thiruvathira Kali*.

Day 02 : (20-05-2014)

The second day of the programme started at 9:00 am with instrumental music (wind, string, percussion and electronic). The next event of the programme was cinematic dance (single). It was followed by the homoeopathic drug picture (single). Competition on folk dance was held at 2:30 pm. Supervened by it was the chromatic fusion group. It was followed by Kadhaprasangam and Oppana. The last event of the day was Punjabi Bhangra.

DAY 03 : (21-05-2014)

3rd day began with Mono act at 9:00 am followed by whimsical event Mimicry. It was followed by skit and fusion dance single female. Next event was the unique event of SKHMC "Performers Choice". It was followed by fusion single male and Fashion show. The final events of the day comprised of mime, hair styling (male and female) and smiling competitions.

3. SPORTS COMMITTEE:

Sports meet is organized every year to develop sense of friendliness and team spirit among the students. Usually sports meet is conducted during the first quarter of a year (April-May). One of the members of the faculty serves as the Co-ordinator of the Sports Committee. Convener and Assistant Convener are selected for the smooth conduct of the sports. There will be four teams, each team comprising the students from all batches including the student Co-ordinators. A newly built play ground is provided for the students, in proximate to the ladies hostel. Sports goods and provision for games are provided in both hostels. Every year we honor the Overall Champion team with Saradamma Memorial Ever Rolling trophy. There will be a Mens' Champion and a Womens' Champion and 2 runner ups, each from both genders. We had conducted an Inter collegiate Sports Meet for 7 AYUSH colleges named "KURUSHETRA 2017" and won overall championship.

Committee Structure:

- Chairperson : Dr.N.V Sugathan (Principal)
- Co-ordinator : Dr. T.K Jayakumar (Faculty)
- Members : All Academic Co-ordinators and Assistant Academic Co-ordinators
All HoDs
Mr.Krishnan Kutty ,Yoga Expert
NSS Programme Officer
- Student Representatives : (1PG &1 UG)

IV. EXTENSION ACTIVITIES:

1. National Service Scheme

As an affiliated College of the Tamilnadu Dr. MGR Medical University, Chennai, Sarada Krishna Homoeopathic Medical College, Kulasekaram has established a NSS Unit on 16-09-2002 under the leadership of the then programme officer Dr. M. Murugan, Professor, Dept. of Organon of Medicine and Homoeopathic Philosophy. Its avowed objective is to develop the personality of the students and provide service to the community based on the cardinal principle of NSS that it is organized by the students themselves, and both students and teachers through their combined participation in social service, get a sense of involvement in the tasks of national development.

The main objectives of National Service Scheme (NSS) are to:

1. Understand the community in which they work
2. Understand themselves in relation to their community
3. Identify the needs and problems of the community and involve them in problem solving
4. Develop a sense of social and civic responsibility among themselves.

5. Utilise their knowledge in finding practical solutions to individual and community problems
6. Develop competence required for group-living and sharing of responsibilities
7. Acquire skills in mobilising community participation.
8. Acquire leadership qualities and democratic attitudes
9. Develop capacity to meet emergencies and natural disasters;
10. Practise national integration and social harmony.

The college unit has been actively engaged in activities such as awareness programme on health and sanitation; preventive measures, conducting medical camps, Special camps, personality development programmes for volunteers, campus cleaning, observance of health related days, celebration of national important days and festivals for communal harmony in collaboration with Community Medicine Department and other unit reaping cognizable results every time. Presently, the NSS Unit of the College is under the dynamic leadership of the Programme Officer, **Dr. R. Sonny Mon**, Associate Professor, Department of Organon of Medicine and Homoeopathic Philosophy. The successive list of Programme Officers of NSS Unit of our college are:

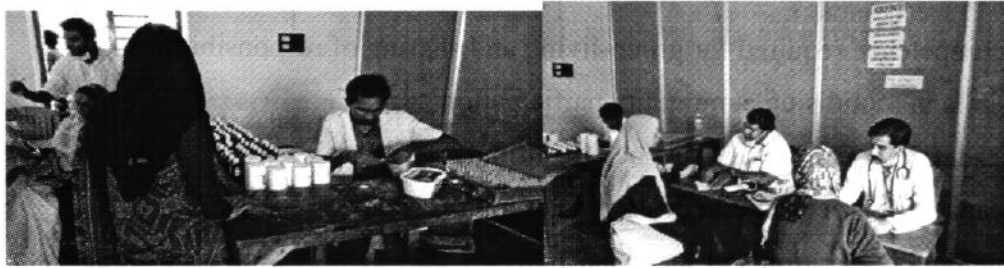

Sl.No	Name of Programme -Officers	Period
1	Dr. M. Murugan	2002 – 2008
2	Dr. T. K. Jayakumar	2008-2015
3	Dr. Abhijith C. Nair	2015-2016
4	Dr. Sonny Mon, R.	2016 – till date

2. Youth Red Cross

Youth Red Cross unit of Sarada Krishna Homoeopathic Medical College is the main constituent of the Indian Red Cross society, Tamilnadu branch in which students of age group 18-25 years are its members. It was established during 2010 with the participation of 40 students. The YRC undertakes health awareness programme, medical camp, road safety week, blood donation camp, programmes on importance of Hand Wash, observance of important days, campus cleaning, fire fighting demo, relief work during emergencies, participation in disaster management, etc. The present programme officer and the convener of this wing of the college is **Dr. Satheesh. M. Nair**, Associate Professor, Department of Organon of Medicine & Homoeopathic Philosophy.

FREE MEDICAL CAMP FOR FLOOD RELIF AT KERALA

A free medical camp was conducted by the youth Red Cross related with flood relief at Kerala, in different places. At Idukki a camp was conducted on 30/8/18. In this camp 80 patients participated. At Munnar camp was conducted on 31/8/18. In this camp 90 patients participated. At kodungalloor camp conducted on 1/9/18. In this camp 110 patients participated. At Kuttiyathodu, Ernakulum camp conducted on 2/9/18. In this camp 55 patients participated. The camp was headed by Dr. Surej bobbin P.G (Lecturer, Dept.of materia medica), Dr. Bindusaran (lecturer, dept. Of Pathology). In this programme 4 students are participated in this free medical camp.

AWARENESS PROGRAMME ON FIRE AND RESCUE

A awareness programme on fire and rescue was conducted at skhmc related with fire service week programme on 18-04-17 by the youth red cross associated with NABH. The programme started at 3.00 pm and concluded at 5.00 pm. welcome speech by Dr. N .V. Sugatan (DMS skhmc, Presidential address by Dr. C.K Mohan (Principal, skhmc), felicitation by dr. V. Satheesh kumar (Prof. DepT. Of Repertory).The awareness programme was taken by fire and rescue team of fire station Kulasekharam. Awareness class headed by Mr. Ashok kumar, fire station officer, Kulasekharam. Practical demonstration also done in the hospital premises. In this programme 300 students and 40 teachers are participated.

3. Red Ribbon Club

As per the direction of the affiliating university vide letter No. SW(1)/31799/2010, dated 25-05-2011, the college has established a Unit of Red Ribbon Club (RRC) on 23rd of June 2011 to create an awareness among the young generation about the HIV infection and blood donation. The chief Patron of the club is the Principal and advisory committee is framed as per guidelines. The RRC of the college unit undertakes, blood group identification, camps on blood donation, awareness programmes on World AIDS Day and other important days in collaboration with other units. The present programme officer of RRC is **Dr. R. Bindhusaran**, Assistant Professor, and Department of Pathology.

4. School Health Programme:

To identify and resolve the health issues of the children at school level, we offer school health programmes in the neighborhood schools of the institution spread around Kanniyakumari district aimed at conducting health screening and awareness programme. In this programme, a team of teachers, PG students and Internees used to visit the nearby Schools and provide awareness to the students, Teachers, Parents and other staff about the health issues, need for preventive mechanisms, hygiene, sanitation, nutrition, salient features of Homeopathy, health education etc. Significant deviations if any found among the students through the health screening are communicated to the parents through their teachers and treatments are given accordingly in the Collegiate Hospital. Efforts are also being made through school health programme to identify learning and behavioural problems of children of age group up to 13 years. These students are directed to the Learning Disability speciality clinic of the institution for further management.

5. Health Survey:

As a part of BHMS curriculum, the Department of Community Medicine organises Health Survey for the final BHMS students to acquaint themselves about health issues of the society, to identify the factors influencing the diseases, adopt preventive strategies and to implement curative measures. As a process, specific area from Grama Panchayat /Village is first identified with the help of officials/personals of the Panchayat concerned. Each and every house of the locality is visited by the students under the guidance of faculty and necessary data in detail are collected in a prescribed format. Thus the collected data are analysed and patients identified if any are referred to collegiate hospital for treatment. As a follow up procedure, the institution conducts medical camps and awareness programmes on health care. The collected data are thereafter handed over to the officials of Health Department. Similar Health Surveys are also conducted by the Internees as a part of extension activity of the institution. The Head of the Department of Community Medicine is the Co-ordinator of Health Survey.

6. Medical Camps:

Sarada Krishna Homoeopathic Medical College is situated in Kulasekharam of Kanniyakumari District surrounded by a typical mixture of group of people namely hilly, rural, tribal, costal, socially and economically deprived sections of the society and victims of natural calamities, etc. The people visit the collegiate hospital for homoeopathic treatment belongs to the length and breadth of the district and from neighboring state. The requisitions of the members of the voluntary organisation as well as individuals have forced to start up a series of medical and preventive camps throughout the district mainly in rural areas at their door step. Hence, in collaboration with various extension initiatives of the college Community Medicine Department conducts homoeopathic free medical and preventive camps mainly in rural areas of the district. A college medical team consisting of medical officers, PG scholars and interns will be deputed to conduct medical camp. They conduct necessary medical check-up and dispense free medicines. Follow up camps are also made according to necessity under direction to take continous treatment from the Collegiate Hospital. Pamphlets /leaflets/brochures related to public health, homeopathy and collegiate hospital etc. are also distributed in medical camp. **Dr. Bino. A**, Assistant Professor, Department of Surgery is in-charge of the conduct of Medical camps.

7. Epidemic control cell

Whenever there is an epidemic outbreak anywhere in the Kanniyakumari District, the cell will reach over to the place and make a detailed study of the prevalent cases for finding the "Genus Epidemics". It will be instantly followed by the distribution of prophylactic medicine to the people by conducting preventive camps. The active participants are the Interns and PG Scholars. Necessary feed-back studies are also conducted to evaluate the efficacy of the prophylactic medicine.

Committee structure:

Co-ordinator : Dr.K.G Venugopal (Faculty)

Participants : PG Scholars and Interns as per requirement.

8. Ecoclub

The main objective of the Eco Club is to develop green consciousness, promote awareness and social responsibility among the undergraduate students of Homoeopathy. It helps to build attitudes among the students to help individuals and social groups to acquire values and feelings of concern for environment, Teach skills for identify and solve environmental problems and the motivation for actively participating in environmental improvement and protection.

FUNCTIONS:

- Conducting environmental awareness programmes on Earth Day (April 22), World Environment DAY or ECO DAY (June 5).
- Run a poster making competitions on various environmental issues.
- Motivating the students to keep their surroundings green and clean by undertaking plantation of trees.
- Putting Display Boards in campus regarding environment protection
- Educate students to create awareness amongst public and sanitary workers, so as to stop the indiscriminate burning of waste which causes respiratory diseases.

DENGUE AWARENESS PROGRAMME (11.10.2017)

The Eco club along with Dept of Community Medicine,SKHMC conduct awareness class & awareness rally on Dengue fever at Govt high school Puliyoorsalai on 11.10.2017, 10.00 am to 12.00 pm.Welcome speech was delivered by Mr. Jose Scaria. The felicitation speech by Dr.M.V.Ajithkumar (HOD Dept of Community Medicine) & Dr.Harisankar (convener EcoClub). The presidential address by Mr.Prabhakumar & vote of thanks by Mr.Kabeer. Finally awareness classes was taken by Dr.Vipin Das, Dr.Mithun Kumar, Dr. Mahima.S (all PG scholars ,SKHMC), followed by an Awareness rally along with the students of Govt High School, Puliyoorsalai. 120 students of GHS Puliyoorsalai. participated in the awareness programme and rally. The programme was successful in creating awareness about Dengue fever and its preventive measures among students.

List of students

S. No	Name of students
1.	Dr.Vipin Das
2.	Dr.Mithun Kumar
3.	Dr.Mahima.S
4.	Ashok .B.T
5.	Harijith
6.	Issac P.Bose
7.	Lekshmi
8.	Vaishna.V.P

List of teachers

S. No	Name of Teachers
1.	Dr.M. V. Ajith Kumar
2.	Dr.Harisankar
3.	Dr.Mahima.S
4.	Ashok .B.T

9. Science Forum

The Tamil Nadu Science Forum , a Non-Governmental Organisation (NGO) extends its service to Sarada Krishna Homoeopathic Medical College since 05.03.2015. The activities includes conducting medical camps, scientific seminars, sky watching programmes and awareness classes, realizing 'World Science Day' etc with in the college and in rural areas. The coordinator of the programme is Dr. Harisankar .V

V. RESEARCH ACTIVITIES:

1. Short Term Studentship Programme:

List of Students undertaking Research Project in 2017-18

S.No	Name of the Student	STSH No	Topic of Research	Guide
1	Nowshika, V.	STSH 170018	Role of Sleep Deprivation in the quality of Life of College going students with Gastro Esophageal Reflex disease and their management with Homoeopathic Medicine	Dr. Bindusaran, R.
2	Tharani, M.	STSH 170047	A Clinical Study on Homoeopathic Management of Disruptive Behaviour Disorder in Children	Dr. Siju, V.
3	Shanmugapriya, A.	STSH 170032	Swertia chirata as a dynamic supplement to Homoeopathic Simillimum for Febrile illness	Dr. Suman Sankar, A.S.
4	Deepika, M.	STSH 170034	Comparative Study on Effectiveness of Homoeopathic Remedy selection based on Causative factors in acute febrile illness	Dr. Satheesh M.Nair
5	Abinaya, G.	STSH 170084	Role of Emotional Intelligence in coping with the Transition Phase from High School to Professional Courses	Dr. Reshmy, K. R.
6	Aravind, S.	STSH 170066	Role of Homoeopathic Medicine in the Management of Childhood Obesity – a correction of Constitutional Dyscrasia	Dr. Sonny Mon, R.
7	Paulin, G.J.I.	STSH 170092	A Clinical Study on the effectiveness of Tautopathic drug – insulin in Diabetics Patients having adverse effect on Unintentional insulin Overdose.	Dr. Arun R. Nair
8	Subbulakshmi, S.	STSH 170068	Clinical Study on Effectiveness of Administration of Homoeopathic Drugs through Inhalation method using Nebulizer in Acute Bronchitis	Dr.Zion Natharaj, P.S.
9	Kiruba Sevagan Evans Muthu	STSH 170049	A Clinical case series study to evaluate the scope of Homoeopathy in improving Head Holding in Children with Global Developmental Delay	Dr. Bencitha Horrence Mary, D.

10	Varadalakshmi, P.B.	STSH 170007	Pesticidal action of selected Homoeopathic Medicines against aphid Craccivora in Horticultural setup.	Dr. Sreeja, S.
11	Ajeya, A.	STSH 170022	Effectiveness of Thuja Occidentalis of rhizoctonia Leaf blight in Amaranthus tricolor	Dr. Krishneswari, R.S.
12	Surya Devi, G.	STSH 170077	Invivo Study on the effectiveness of Homoeopathic Medicines in <i>Carassius auratus</i> with <i>Lernaea Cyprinacea</i>	Dr. Berlina Terrence Mary, D.
13	Gopinath, G.	STSH 170048	Homoeopathic Management of Bacterial blotch in White Button Mushroom caused by <i>Pseudomonas Tolaassii</i>	Dr. Sheeba, S.
14	Adhithya, A.	STSH 170033	Efficacy of Natrum Muriaticum in various potencies in controlling the abiotic stress induced by salinity in Cow Pea Seedling – <i>Vigna unguiculata</i>	Dr. Gopika, R.S.

2. SWAYAM NPTEL:

NPTEL is a joint initiative of the Indian Institutes of Technology (IITs) and Indian Institutes of Sciences (IISCs) to offer online courses and certification in various subjects. More students are encouraged to participate in this initiative, update themselves and get certified through participation in the online examination. Our Institution encourages the students and faculty to undergo Health Research Fundamentals Course offered by NIE (National Institute of Epidemiology) and ICMR (Indian Council of Medical Research). More than 150 students and many of our teaching staff had completed the Health Research Fundamentals course and obtain certificates since the introduction of the course in 2016. The institution has been considered to be an Active local chapter thrice among the colleges all over India through effective guidance of Dr. Suman Sankar.A.S, SPOC of our institution, Professor, Department of Repertory. NPTEL certificate awarding ceremony is an encouragement for budding doctors.

3. IPR Cell:

The IPR Cell organises awareness programmes among the students and members of the faculty for educating and training the students on IPR Supervising and filing the patents of the research works through workshop and seminars. The cell provides a portal for all intellectual property rights, offers legal support and protects it against any unauthorised use. To protect publications from the institute through intellectual property rights the procedure for obtaining copy right under copy right act and requirements for patent application are well explained to the members. On 19.05.2018 a “Workshop on Intellectual Property Rights and Innovations” was conducted in the College by Dr. Kantha Babu, Director, and Centre for Intellectual Property Rights, Anna University, and Chennai for teaching faculties and PG Scholars in 4 sessions including Overview on IPR, about the method of converting project into patent, demo on how to do patent search and practical session.

4. Innovation cell:

The innovation cell of our institution works with the purpose of systematically foster the culture of innovation among the students. The cell inspire and encourages the students to do their projects by forwarding new proposals to carry over new projects for students, provides necessary support for students to do their projects by bringing resource person from the respective field, by providing materials, space and fundings for their projects.
