World Blood Donor Day Programme 2019

An awareness programme was conducted on World blood donor day 2019 at Sarada Krishna Homeopathic Medical College, Kulasekharam on 14/06/2019 from 3.00 P.M to 4.00 P. M. The event serves to thank voluntary, unpaid blood donors for their life-saving gifts of blood and also to raise awareness of the need for regular blood donations to ensure that all individuals and communities have access to affordable and timely supplies of safe and quality-assured blood and blood products. Dr.R.Bindhusaran explained about importance of voluntary blood donation in the society, and Dr. Ezhil Arasi explained about procedures and eligibility of blood donation. Awareness pamphlets were distributed to the volunteers.

Dengue awareness programme was conducted in the Government Tribal Residential HSS in Pathukani with a public awareness rally on 20.10.2017 by the NSS unit SKHMC. The programme was inaugurated by the School Headmistress. Our doctors gave a detailed description about dengue including mode of transmission, signs and symptoms, treatment and also about the lifecycle of the causative agent. This was followed by the rally which included all the students and teachers. By 4pm the programme came to an end.

HEALTH SURVEY- KADYALUMOODU PANCHAYAT (NOV 2015)

Health surveys were conducted on 24.11.2015 and 25.11.2015 under the guidance of Dr M.V. Ajith Kumar (HoD, Dept of CM) at Kadayalumoodu. Total houses visited by the intern's were 858 they met 3070 people and collected the health information's. According to our study about 96% of tribal population of TamilNadu dwells at Kadayalumoodu Panchayat. Based on the statistics we gathered. The economical and social status of the people are poor. Swasthya Rakshan Program brochure was distributed to the houses visited.
