SKETCH

(SARADA KRISHNA ENRICHMENT TRAINING FOR COMPETITIVE EXAMS IN
HOMOEOPATHY)

SKETCH (SARADA KRISHNA ENRICHMENT TRAINING FOR COMPETITIVE EXAMS IN HOMOEOPATHY) was established in the year 2009. It aims to provide effective guidance and encourage to the students to succeed in various competitive examinations in Homoeopathy.

Scope:

- To motivate and prepare students for prospective career in Government and private sectors.
- To intensively guide students for competitive examinations like AIPGET, KPSC, TNPS, UPSC and other competitive entrance examinations like NET.

Policy:

SKETCH shall function under the control, guidance and supervision of the Head of the Institution. SKETCH is a programme organized by Student Support and Progression Committee. Dr.T.Ajayan, Coordinator of Student Support and Progression Committee also the Coordinator of SKETCH. It includes the following Programmes conducted by experienced faculties.

- Monthly Training classes for Competitive exams.
- Special Training Programme for AIAPGET-Pravesh Pariksha /Crash Course every year.

It conducts one day lecture class focusing on a particular subject or topic, once in a month (preferably on Sunday) to the Internees of SKHMC aiming to mould the students to effectively participate in competitive exams. The voluntary participation of UGs and PGs are also encouraged. The subject and faculty of the classes are scheduled every month according to the convenience of the concerned faculty and the institution. At the end of each class a mock test for 50 marks is conducted and its results are displayed during the next class. The mock tests help to assess the capability and progress of the student.

Outcomes:

- Participants are trained to attend any competitive exams in Homoeopathy
- To get placements placed in various renowned institutions for higher education and job.
- To become goal oriented which in turn lead to the success of the Homoeopathy.

PRAVESHHA PARIKSHA

Pravesha Pariksha / CRASH COURSE is a one week programme conducted once in a year by the SKETCH (SARADA KRISHNA ENRICHMENT TRAINING FOR COMPETITIVE EXAMS IN HOMOEOPATHY) and The Internal Quality Assurance Cell (IQAC) aiming for an effective performance in the Competitive exams especially AIAPGET (All India Ayush Postgraduate Entrance Test). Aspirants from all over India can participate in the programme with prior registration to the SKETCH. The classes are scheduled in a manner to give sufficient importance to all clinical and non-clinical Homoeopathic medical subjects, covering the entire BHMS course. The classes are handled by experienced faculties of SKHMC and guest faculties from all over India. The entire programme is organised, monitored and recorded by the Coordinator of the SKETCH.

After the advent of AIAPGET (All India Ayush Postgraduate Entrance Test), the schedule of the programme is reorganised to suit the needs of AIAPGET and the name of the programme is changed to ' Pravesha Pariksha '. Mock test is introduced in the pattern of AIAPGET exam with the aid of customised exam software. The mock tests help to assess the capability and progress of the student and train them effectively.

Features of Pravesha Pariksha,

- Seventy (70) Hours of effective classes, from 7.00 am to 9.00 pm.
- Well Experienced Faculties.
- Separate Hostel Facility.
- Air conditioned & Digitalized Class Room.
- Well-designed course content covering the entire syllabus.
- Daily Doubt solving Counters.
- Daily Mock test (Morning & Evening) - online tests as AIAPGET model with evaluation.
- Important Question Package.
- Previous year questions based preparation.
- Free Course material.
- Library facility with reading room.

Policy:

Pravesha Pariksha is coordinated by SKETCH and IQAC of SKHMC under student's progression and support committee, which shall function under the guidance, control and supervision of the head of the institution and the Management.

Outcomes:

- Participants get motivated to face the competitive exams in Homocopathy
- To get placement in various renowned institutions for higher education in Homocopathy.
