HOMOESEM 2020 –WEBINAR SERIES

Sarada Krishna Homoeopathic Medical College, Kulasekharam, Kanyakumari District is a postgraduate & PhD institute. It is a collaborating institute with Central Council for Research in Homeopathy, New Delhi for clinical research and is one of the top ranking institute on academic activities in the country. The college proposes to organise series of webinars for the students, physicians and faculty members. This shall be continued as a weekly program with eminent speakers, researchers and teachers on different topics.

Although the Covid pandemic has relatively curtailed the comprehensive functioning of the institution, we are perpetually involved in activities essential in this scenario such as creating general awareness and distribution of immunity boosting medicine to the public, online training for of health care providers and the students regarding prevention and treatment of COVID-19, along with the regular academic and co-curricular programs through virtual mode. Meanwhile, to update the information on the present pandemic of young Homoeopaths, webinars are scheduled by Department of Medical Research, inviting the participants to register and attend.

The first of the webinars in the series is scheduled on 15th May, 2020 through Zoom platform and the topic is on **“Homeopathic prospects on COVID-19.”**

Dr. Anil Khurana, Director General, Central Council for Research in Homoeopathy has consented to inaugurate the Webinar series. Eminent International speakers are part of this webinar.
